Sir:

On July 19, 2000, the above-captioned application was filed pursuant to 37 C.F.R. §1.53(c) without a signed declaration. On September 13, 2000, the Patent Office mailed a Notice to File Missing parts of Application - Filing Date Granted to Applicant. Applicant submits an executed Declaration, Power of Attorney and Petition executed by the Applicants on September 8, 2000. Applicant believes that this satisfies the requirements of the Patent and Trademark Office.

Applicant submits herewith a check in the amount of \$65.00 as the surcharge in connection with filing this Response to Notice to File Missing

Parts. Applicant submits that this is the correct charge that is applicable in view of the fact that applicant qualifies as a small entity. Applicant mailed a Small Entity Declaration executed by the Applicant to the Patent and Trademark Office on September 13, 2000, and a Request for Refund of the appropriate part of the original filing fee, as this application was filed as a large entity. A copy of the Small Entity Declaration and Request for Refund is also attached hereto.

In the event that the Office believes that additional charges are necessary in connection with the processing of this Response to Notice to File Missing Parts, the Office is authorized to charge such fees to my deposit account, No. 22-0259. A copy of the Notice to File Missing Parts of Application is also enclosed.

Respectfully submitted,
